A. SECURITY GUIDELINE OVERVIEW

1. Security for the Linkin Park 2025 Tour is a collaborative effort. This document outlines suggested best practices for venue security and crowd management. These guidelines are intended to ensure a safe, respectful, and seamless experience for fans, crew, and artists alike.
2. A comprehensive security staffing plan should be submitted prior to show day, including:
 - Security personnel assignments
 - Total staffing numbers
 - A dot map indicating security positions
 - A cost estimate for security staffing
3. Communication between the tour team, local security leads, and public safety officials is essential.
4. If English is not widely spoken on site, an interpreter should be made available throughout the day.
5. Only authorized uniformed security/staff (as per the security advance) may access:
 - Backstage
 - On-stage areas
 - Barricade areas

These areas are strictly for working personnel only.

6. We suggest the following for local security:
 - DO:
 - Wear easily identifiable security uniforms
 - If positioned on stage, where a black or dark clothing
 - Have a working flashlight
 - DO NOT:
 - Possess firearms, tasers, pepper spray or any other type of weapon
 7. Tour security reserves the right to request the removal of any guard from any location for any reason at any time.
-

B. SHOW STOP PROCEDURES

1. In the event of a state of emergency (e.g., bomb threat, civil unrest), the artist security team should be notified as soon as possible.
 2. The venue should provide the following items to the tour team:
 - A written emergency and evacuation action plan
 - A public safety contact list
 - Clear map of EMS locations, dressing rooms, egress routes and emergency assembly areas
-

C. REPORTING

1. We would like an incident summary report after the event covering:
 - Medical incidents
 - Police contacts
 - Refusals of entry
 - Ejections
 - Any significant security concerns

A template will be provided by the tour for reporting.

D. VENUE ACCESS & SCREENING

1. Please be prepared to discuss your plan for your uniformed police presence in the public areas of the venue.
 - The tour does not require a backstage police presence.
 - We understand that police have a job to do to ensure the safety of the performers as well as the public. We ask that the backstage and barricade be clear of any

- police presence for the performance unless specifically requested by tour security to respond to a situation.
2. If police officers are unavailable, we ask that an alternative security measures be outlined in advance.
 3. Entry protocols should include:
 - Walkthrough metal detectors or handheld wands
 - Bag searches

● No entry will be allowed for anyone refusing security screening.

4. Prohibited Items List:
 - Professional cameras, video cameras, audio recording devices
 - Selfie sticks, iPads, drones
 - Fireworks, laser pointers
 - Food, cans, bottles, alcohol
 - Weapons, large chains, spiked bracelets
 - Backpacks, waist packs
 - Projectiles of any kind
5. Letters, packages, or gifts from patrons need to be inspected by tour security.
 - Please collect and inspect these items before bringing them to the tour security office
 - Nothing should be left unattended backstage or handed directly to band members.
6. Prohibited items signage should be displayed at all venue entry points.
 - Do not state that these are "tour policies"—this is a venue policy.
7. The promoter should provide an adequate number of female security staff to search female patrons.
8. Perimeter security should accommodate crowd flow and safe audience entry.
 - If available, PA systems or audio loops should be used to provide security instructions.
9. One megaphone per entrance should be available for crowd control.
10. Adequate personnel and equipment should be deployed at entry points to ensure smooth venue access.

E. PASSES

1. Access to tour-related areas is strictly limited to personnel with tour-issued credentials.
 - Local staff needing access will also be issued credentials.
 - ● We ask that all credentials be worn and visible at all times to make it easy to identify throughout the tour areas.

F. COMMUNICATION

1. A WhatsApp group will be created by the tour security team for day-of-show communications.
 - Please provide contact information (names, role and phone number) for key venue staff.

G. CROWD DYNAMICS

1. Crowd surfing and moshing may occur.
 - Signage should be posted at all public entry points discouraging these activities, but patrons should only be removed if their behavior presents a safety concern.
2. Barricade security is expected to be respectful and guest friendly. Staff are reminded that patrons are a guest of the venue and the band.

H. SECURITY POSTS & RESPONSIBILITIES

1. The promoter should work with venue security to provide a detailed staffing schedule, covering:
 - Dressing rooms
 - Stage & backstage areas
 - Parking zones
2. Truck & bus areas must remain secured at all times. If no fenced parking area is available, temporary fencing must be installed.
3. Offsite vehicle parking must be manned by security.
4. Designated parking is required for:
 - 10 artist and band vehicles
 - Management vehicles
 - A map with simple directions must be provided.
5. A staffing grid is provided to open conversation about areas that directly affect the tour. These numbers are based off of our experience with this show in various markets. These are not required numbers and will be discussed in the advance to customize the deployment to satisfy both the tour and the venue's needs to properly staff the show.

I. SOUND CHECK

1. Sound checks are closed to all unauthorized personnel.

J. BARRICADE

1. For GA floor shows:
 - The barricade should be configured to reduce rear crowd pressure
 - FOH / mix positions should be fully secured with controlled access points

K. BOMB DOG SWEEP

1. A bomb detection sweep is preferred by 2 PM on show day. If unavailable, alternatives should be discussed in advance.

L. POLICE ESCORT

1. A police escort is appreciated for artist arrival and departure, where feasible. Please confirm standard procedures for this service.

M. CCTV & RECORDINGS

1. No recording is permitted near dressing rooms, artist areas, or hospitality without prior approval.
2. The artist reserves the right to request copies of venue CCTV footage if necessary.

N. CONCESSIONS

1. All beverages should be served in soft, crushable cups (no hard plastic souvenir cups).
2. Ice should be crushed or shaved (no large cubes).
3. No vending near the stage.

O. SECURITY MEETING

1. We will determine a time for the security meeting to take place between the tour security team and the venue team.
2. Staff we would like in attendance (at minimum) are:
 - Venue promoter rep
 - Venue security director
 - Venue medical lead
 - Backstage supervisor
 - Barricade supervisor
 - (General manager and operations lead is welcomed to join us if they are available)

P. EMS / FIRST AID / MEDICAL SUGGESTIONS

Emergency Medical Staffing and Locations

Upon arrival, please provide the Linkin Park Production Manager and Venue Security Director with the following:

- The locations of EMS personnel and first aid stations
- A clearly labeled map identifying these locations, delivered in advance or upon arrival
- Specific designation of the station nearest to the primary crew work areas, equipped with:
 - AED (Automated External Defibrillator)
 - Medical-grade oxygen tanks
 - Adult non-rebreather oxygen masks
 - Additional basic trauma support supplies

Emergency Evacuation Policy

Please provide a copy of the venue's emergency evacuation policy and a detailed evacuation plan/map covering the arena level. This should include:

- All artist and crew dressing rooms
- Primary and secondary egress routes
- Designated emergency assembly points

We ask that these documents be shared with LP Venue Security prior to or at arrival.

Crew Hydration

Three (3) coolers stocked with cold bottled water to be available and maintained throughout the day for both local and tour crews. Cooler placement:

- One (1) at Upstage Left (USL)

- One (1) at Upstage Right (USR)
- One (1) at Front of House (FOH)

Audience Medical Coverage

The venue should make sure they have the proper medical coverage for the public that is:

- Compliant with all applicable local laws and regulations
- In accordance with venue policy
- Sufficient for the expected audience size, per local licensing authorities

Note: We will look for medical staff to be fully deployed and operational in their assigned locations prior to doors opening.

Thank you for your collaboration in creating a secure and enjoyable environment for everyone involved in the Linkin Park 2025 Tour.

- The Linkin Park security team
