Hi Dan,

At the moment, I can't send you the quotation again because I don't have my computer with me.

The vehicle we will provide for all transfers has capacity for 8 passengers plus luggage, so almost all of your passengers, as well as all the suitcases and baggage, would fit in our vehicle.

In the previous quotation, you have the link to our website where you can see photos of the vehicle.

I will update the quotation later.

Thank you very much.

Kind regards,

Rafa

Good morning, Dan,

Great! I'll update the quote to include a single [Mercedes-Benz Sprinter](#) (8 passengers + luggage) for each transfer.

For payment, you can make a bank transfer to our account:
IBAN ES84 2100 7351 0502 0014 3947 / SWIFT/BIC: CAIXESBBXXX

Or, if the bank charges are too high, you can pay the driver in cash (euros).

Please let me know which payment method you prefer.

Will you be travelling with the band? I'll need a contact number so the driver can message you via WhatsApp when he arrives at the airport.

I look forward to hearing from you.

Thank you very much!

Kind regards,

Rafa

Good afternoon, Dan,

Yes, I've received it. Thank you!

Have you had a chance to look at our quote and decide whether you'd like one or two vehicles for the day of the show?

Many thanks
