D. the Purchaser shall use the Artist's Name, Official Logo and Designs in all forms of advertisement. Purchaser agrees that in any commercial or college radio, television, video, or any other audio/visual media, the Artist will direct/or agree on the advertising and give final permission before broadcasting. The Purchaser takes charge, at his own cost, of all advertisements and promotion for the concert.

2. CANCELLATION

Purchaser agrees that Producer and/or Artist may cancel the engagement hereunder without cause and without liability, at Producer's and/or Artist's sole discretion, by giving Purchaser notice thereof at least thirty (30) days prior to the commencement date of the engagement hereunder. Purchaser knowingly assumes this risk.

Artist shall not be required to perform before any audience which is segregated on the basis of race or creed, or where physical violence or injury to Artist is likely to occur. Artist prefers not to perform to a reserved seat audience directly in front of stage. Inform Management/Agency of specific nature of your event if there is any reserved seating of this nature before putting your show on sale.

3. FORCE MAJEURE

Producer's obligation to furnish the entertainment unit referred to herein is subject to the detention or prevention by (A) sickness, illness, injury or death affecting Artist, Artist's immediate family, crew or Producer's representatives, inability to perform, injuries to Artist, accident, means of transportation, Act of God, Terrorist Actions, Acts of War, riots, strikes, labor difficulties, epidemics, and any act or order of any public authority or any cause, similar or dissimilar, beyond Artist's control or (B) the interruption or threatened interruption, impairment or interference with a performance, or in the event a performance is rendered impossible or impracticable or hazardous to Artist, Producer or crew or Producer's and/or Artist's representatives or the public, by any event of force majeure, or the reasonably interpreted threat of any event of force majeure, or any other event not within Producer's and/or Artist's control. The Producer reserves the right to cancel this Agreement without liability in the event that any of the aforementioned causes prevents Artist from performing. The Producer will in no way be liable for any losses either financial or otherwise incurred by the Purchaser due to such cancellation. However, the amount already paid to the Purchaser to the Producer's representatives will be refunded within 60 days.

Provided Artist is ready, willing, and able to perform, Purchaser agrees to compensate Producer f/s/o Artist in accordance with the terms hereof regardless of Act of God, fire, accident, riot, strike or any events of any kind or character whatsoever, whether similar or dissimilar to the foregoing events which would prevent or interfere with the presentation of the show hereunder.

Producer shall have the sole and exclusive control over the production, presentation and performance of the entertainment unit in connection with the engagement, including but not limited to, the details, means and methods of the performance of the entertainment unit and each member thereof, and the persons employed by Producer in performing the provisions hereof on Artist's part to be performed. Producer shall have the sole right, as Producer may see fit, to designate and change the performing personnel other than artist. It is specifically understood and agreed that a representative of the Producer shall have sole and absolute authority in directing personnel operating all lighting and sound equipment during rehearsal and each performance scheduled herein. 6. APPROVAL OF OTHER PERFORMERS

Limp Bizkit shall close the show at each performance unless Producer elects otherwise. Limp Bizkit reserves the approval right of any other persons to appear in conjunction with this performance and the right to determine the length and nature of their performance(s). Such approval must be obtained through Limp Bizkit's Personal Management, in writing. Support Act(s) performance time(s) shall be at the discretion of Producer. Violation of this clause shall entitle Producer to refuse to furnish the performers described herein but Purchaser shall remain obligated to make all payments herein set forth. Purchaser agrees that there will be no Masters of Ceremonies, no welcoming speeches, no introductions, and no ceremonies at intermission except as Producer may direct.

7. REPRODUCTION OF PERFORMANCE

No portion of the performance rendered hereunder may be broadcast, recorded, filmed, taped or embodied in any form for any purpose or reproducing such performance without Producer's prior written consent. Purchaser will deny entrance to any persons carrying audio, film; motion picture or video recording devices without limiting in any way the generality of the foregoing prohibition, it is understood to include members of the audience, press and Purchaser's staff and Purchaser will use best efforts to prevent such acts.

In the event that the Purchaser, his agents, servants, employees, contractors, etc., reproduce or cause to be reproduced the Artist's performance in the form of films, tapes, or any other means of audio or video reproductions, upon demand by Producer. Purchaser shall deliver all of the same (together with any and all masters, negatives and other means of reproductions thereof) to Producer at Purchaser's sole cost and expense, in addition to all other legal or equitable remedies, which the Producer may have. If Purchaser foresees a situation where local radio airtime can be negotiated in exchange for ticket "giveaways", then this procedure cannot be undertaken without Producer's prior written agreement and permission.

No other person and/or group of persons, including, but not limited to, a master of ceremonies or other performing artist and/or group of artists, may be represented on this engagement without Producer's prior written approval. Additionally, no pre-concert, neither intermission nor post concert announcements nor welcomes are permitted without Producer's prior written approval.

The deposit is due on the date specified on the face of the contract (concurrent with the receipt and execution of the contract by Purchaser and subsequent delivery to Artist's Agent). If the deposit is not received by the date specified on the face of the contract, Artist may construe this as a material breach of contract and may cancel the performance with no liability or further obligation to Purchaser. A deposit for Producer's production fee may be required same as the guaranteed fee.

Said deposit(s) shall be held in trust by Artist's Agent, International Talent Booking, and shall be paid in the form of Cash, Certified Check, Cashier's Check or Bank Check Wire Transfer payable to;

Purchaser shall pay the deposit to Producer upon completion of the engagement hereunder or upon forfeiture because of material breach of contract.

11. BOX OFFICE PROVISIONS

A. In cases where the Producer is being paid on a percentage basis, Purchaser agrees to deliver to the Producer's representative, International Talent Booking, a minimum of two (2) weeks prior to date of performance, a plot plan and printer's manifest of the house (notarized, signed statement from the printer of tickets, listing amount of tickets printed at each price). Purchaser further agrees to have on hand at the place of performance the night of the show, for the counting and verification by representative of the Producer, a copy of the actual manifest (no photocopies) and all unsold tickets. Artist shall be compensated for the difference between the number of unsold tickets on hand and shown to its representative and the number of tickets printed as shown by the ticket manifest. If Purchaser shall violate any of the preceding provisions of the paragraph, it shall be deemed the Purchaser has sold a ticket for each seat in the house (and any permitted standing room) at the highest ticket price for which the house is scaled

Purchaser further agrees to give said representative the right to enter the box office at any time (during and after the performance) and to examine and make extracts from box office records of Purchaser relating to the gross receipts of this engagement. A written box office statement certified and signed by the Purchaser, will be furnished to Producer's representative at settlement. Purchaser may not sell tickets to performance herein as part of a subscription or other type of series of other concerts, without written consent of the Producer. All tickets printed under the manifest shall be of the one stub, one price variety. There shall be no multiple price tickets printed. Examples of tickets prohibited under this agreement are:

- i) One price for students and a different price for general admissions of the same ticket;
- ii) If ticket price is higher than stated on contract face, Producer will take 100% of the difference in full prior to Limp Bizkit's performance.

If there are sellable seats where the stage and equipment on stage is obstructing normal eye-level viewing of Artist's performance, then these tickets must be marked "impaired vision" and only be sold with the prior written permission of Producer.

Counterfeit tickets are the sole risk and liability of the Purchaser and no loss or expenses arising from counterfeit tickets or stolen tickets sold shall be charged to the Producer directly or indirectly.

If Purchaser violates the above agreement, he shall be liable for the total amount of tickets sold at the highest price printed on the ticket.

All tickets shall be printed by a bonded ticket house (example: Globe Tickets, Arcus-Simplex), or, if the performance is at a college or university, the official printing department of the university or college. Purchaser agrees not to discount tickets or offer tickets at a premium without first obtaining permission in writing from the Producer. If Purchaser does sell or distribute complimentary tickets without prior approval, or in excess of the number printed, he shall be liable for the full ticket price of each such ticket sold or distributed. If Purchaser sells more tickets than the agreed capacity, or if it is subsequently discovered, then Producer shall receive one hundred (100%) per cent of all income from these sales and Producer reserves the right to renegotiate the Agreement.

B. Purchaser shall be responsible to pay Producer its percentage for every seat occupied within the place of the performance, except for free tickets which (subject to the limitations set forth in this agreement) may be distributed to the press, or for any complimentary tickets requested by Artist.

C. Purchaser represents and warrants it has given a good faith estimate of Purchaser's expenses to Producer or Producer's Agent, which estimate is a true representation of Purchaser's best efforts to determine the costs to be incurred by Purchaser in the production of this event, and is attached hereto as "Addendum A". Purchaser understands that the Producer has relied on said expense estimate to establish a "break figure" when used and also to determine Purchaser's total expenses when the "percentage of net" method is used. Purchaser agrees to furnish Producer a final statement of Purchaser's actual expenses, including certified, bona fide paid bills for such expenses, on the performance date, no later than at the time of settlement. If the final expenses and/or aforesaid bills total less than the amount of the estimated expenses given to Producer, then the "break figure" or total expenses used to determine the "percentage of net" will be reduced by the difference between the total estimated expenses and the actual expenses. Certain expenses that were estimated by Purchaser may be questioned by Producer and not accepted as relevant or allowable by Producer at settlement. Also, expenses in excess of said estimate shall not increase the "break figure" or expenses allowed for the "percentage of net" method.

All invoicing presented at settlement for payment must be original and must contain the following:

- i) Gross, net and commissionable or discountable amounts. Only NET rates will be accepted in settlement.
 - ii) A notarized affidavit of performance (through two days prior to event) stating: dates run, times run and contract rates.
 - iii) Authorized co-presents or station promotion packages must be detailed in letterform by a station official and notarized.
 - iv) An invoice number, date and Artist listed as client.
 - v) Only original tear sheets will be accepted for print ads showing the ad position on the entire page. Producer may not allow cost of ads with only photocopies.
- All advertising expenses must be available to Producer's Representative/Accountant by 6:00pm, night of engagement.

12. COMPLIMENTARY TICKETS

Purchaser must supply a representative of Producer with a statement detailing to whom each complimentary ticket was given. Each complimentary ticket will be issued only as a fully punched ticket. Purchaser agrees to supply proper radio, television and newspaper personnel with complimentary tickets from above-mentioned allotment. Producer also has the right to limit the amount of complimentary tickets given to any support act.

Complete breakdown of the required tickets shall be sent to the Purchaser prior to the date of tickets being placed into general public sale.

Purchaser agrees that if NO ADMISSION is charged to any part of the audience for the engagement hereunder, this condition must be stated on the face of the attached contract. If, at the engagement, there is evidence that admission was or is being subsequently charged for Artist's performance, Purchaser agrees that the Producer shall receive one hundred percent (100%) of the net gross (gross income less any applicable local, state or federal taxes) of admission receipts collected.

13. TAXES/PERMITS/SCALING

Purchaser shall pay and hold harmless The Producer of and from any and all taxes, fees, dues and the like relating to the engagement hereunder and the sums payable to Producer shall be free of such taxes, fees, dues and the like. Purchaser will likewise obtain any and all necessary permits, licenses, certificates, authorizations or other approvals for the day of the performance at his sole cost (including, but not limited to, work permits, police, council, parking, union, guild, performing rights society or other entity properly having jurisdiction over or with respect to the engagement, (or any portion thereof). Purchaser shall comply with and fulfill all terms, conditions and covenants set forth therein and any and all liability arising out of or in connection with the failure of the Purchaser to perform its obligations hereunder shall be solely the responsibility of the Purchaser. Where Taxes are to be deducted, a copy of the Tax Payment Form(s) will be available to Producer to determine actuality and method of tax computation.

The purpose of this consultation is to confirm security arrangements, provide a question, and answer opportunity for the venue Security Director.

Again, the ARTIST stresses that it is vital that the venue Security Director or responsible party have a copy of this security portion of the TOUR RIDER, so that the parties may converse intelligently regarding proper arrangements

BARRICADE

Purchaser completely understands that the crowd activity for Company's performance is typically highly energetic which creates crowd activities that consist of forward and side to side movement.

These requirements include barricade configuration as well as barricade make and model specifications. Venue size, seated or open floor capacity and venue configuration will determine the configuration of the barricade. In some instances the barricade configuration will consist of turns and angles and the standard straight barricade in front of the stage will not be an acceptable barricade configuration.

All Barricades must meet the following make and model specifications:

1. All pieces must be constructed of steel or aluminum and must be load tested for the environment that it will be used in.
2. All pieces must be blow through. In addition to being blow through, each piece must have a complete covered front and may not have any openings that would allow any body part such as a hand, knee or arm to go through it.
3. All pieces must be of the same make and model. In cases where barricade make and models are different, those pieces that connect to one another must be of the same make and model. In addition, if there are different barricade make and models being proposed, Company's Management, Production and Security must approve the proposed make and models before use of barricade.
4. All pieces must have a step that is connected to the barricade and must extend the complete width of the each barricade piece or partial step such as the official Mojo Barricade.
5. The barricade must have pieces that make turns. These pieces must be the same make and model that it is connected to.

In some cases actual pictures of the proposed barricade will be required to be sent for approval. Pictures will need to consist of multiple pieces connected to each other and must show all connect points and if barricade plan includes turns, those turn pieces must be included in the pictures sent.

Attached are some barricade configurations that have been used in the past, which can give you an idea of what we are looking for in an attempt to provide the safest environment possible. All proposed barricade configurations, as well as make and models must be approved by Company's Management, Production and Security at least fourteen (14) days prior to artist performance.

DAY OF SHOW SECURITY MEETING

In order to finalize all security requirements, a mandatory security meeting will be held at a time agreed upon by the Tour Security Coordinator and representatives of the local Security Company. The time will be established during the TEN (10) DAY ADVANCE SECURITY CONSULTATION. Mandatory attendance by the head of concert security, Promoter Representative, and building Security Chief is required.

BACKSTAGE PASSES

All passes are to be controlled by ARTIST management. No passes other than those issued by the Tour Management will allow any admittance or privilege to any person. ARTIST Tour Management will issue passes to the local crew, PROMOTER and building staff as well as authorized guests. Tour Security Coordinator will have pass boards indicating pass access. These pass boards are to serve as a guide for all security personnel and are to be posted at each backstage access point. PROMOTER will make available a person, or persons, to translate these pass boards (when applicable). Tour security Coordinator will distribute pass boards to concert Security Chief at the

DAY OF SHOW SECURITY MEETING. Every person, regardless of stature, must wear a pass at all times. ARTIST reserves the right to confiscate any pass from any person it deems inappropriate in any way to be a pass holder. The only exception will be in a festival situation where the ARTIST passes will be used in conjunction with the festival passes.

OVER NIGHT SECURITY

Whenever ARTIST plays two or more shows in the same venue and/or its equipment and property will remain in place at the venue overnight, PROMOTER shall provide a minimum of four (4) bonded security personnel to protect said equipment and property from the time ARTIST's personnel leaves the venue until they return for work the following day. These guards are to be positioned by the Tour security Coordinator or Production Manager.

ALCOHOL

Should there be alcohol sold, distributed, or allowed at any of the ARTIST'S performances, The venue, building, and PROMOTER will indemnify and hold ARTIST harmless from any damage charges incurred before, during, or after ARTIST's performance. This provision in no way affects any other provision relating to the limitations of ARTIST's liability.

SUMMARY

Communication between the venue, security, and the PROMOTER is essential. Therefore, any decisions that might affect the security of the performance may be addressed to the Tour Security Coordinator. Different venues and situations will call for different numbers of personnel and handling of situations in a manner that will benefit all parties. ARTIST will require one (1) two-way radio from the Security Company in order to achieve effective communication.

IF THE AGREED UPON AUDIENCE CONTROL BARRIER IS NOT IN PLACE AT THE TIME OF PERFORMANCE COMPANY RESERVES THE RIGHT TO CANCEL THE ENGAGEMENT. PURCHASER WILL REMAIN RESPONSIBLE FOR THE COMPLETE COMPENSATION SET FORTH IN THE AGREEMENT.
